#### Anytime HealthLine

All health assessments provide you with access to the Anytime HealthLine^. Available 24 hours a day, seven days a week, you can ring and talk to one of our qualified nurses about any health issues, and if necessary receive a call back from a GP within the hour.

\*If clinically indicated.

† Maximum of 15 minutes per follow-up call. The follow-up call may not be with the Health Adviser who facilitated your health assessment.

^ 12 months access starting from the day of your health assessment. For company contracts, eligible employees will have access for the duration of your company's contract if longer.
